## **What is HHW**

### **Hazardous Household Waste?**

The best way to answer that question is to read the label. If the label contains words such as Corrosive, Flammable, Explosive, Reactive, Ignitable, Toxic, or Poisonous, it should be considered a hazard.

Questions regarding items allowable by your waste hauler should be directed to:

- Rumpke at .....513-851-0122
- CSI at .....513-771-4200

**Drug & Poison Hotline**  
**513-636-5111**

**Pesticide Information Center**  
**1-800-858-7378**

Brochure may be downloaded from  
the Fire / EMS page at  
[www.miamitownshipoh.gov](http://www.miamitownshipoh.gov)

\*Best to call the location first if you are in doubt about an item. Please deliver items only during normal business hours and a nominal fee may be charged by some locations.
